

«November Music» was commissioned by the Swedish Brass Band Federation for the Swedish National Championships in Värnamo, November 2009.

Red and gold falls  
and all is black, white and grey.  
The night, not too cold  
is long and far,  
and the new dark  
sparks with ash and light  
on the water.

Still, misty dawns  
slowly give into blue,  
bury brilliant Saturdays.  
With looks, smiles,  
imagination and promises  
of warmth and love  
to come.
